Passepartouts and cornices

Passepartouts and cornices are also available to order as extras for the wardrobes. Full passepartouts are available for the sliding door wardrobes. With the hinged door wardrobes, you can choose to mount only cornices or, with additional side uprights, also passepartouts. Shelves can be installed with a depth offset, but the cornice can still remain flush with the front. Please note that corner robes with cornice are only possible between hinged door wardrobes (not possible with sliding door wardrobes!). Passepartouts are generally not possible between wardrobe units and on corner robes.
